

## Naturopath/Herbalist Required

*Do you want to be part of a small, dynamic team of natural health specialists, working together to help people?*

At Health 2000 Te Awamutu, our staff are what make us special and unique. We are looking for a qualified Naturopath and/or Herbalist. You may be a new graduate or experienced practitioner looking for a part-time position.

### **The role:**

Your mission is simple: to make sure customers leave Health 2000 Te Awamutu happy and with a complete solution for their needs.

### **To achieve this you will:**

- Enjoy helping people to lead a healthier and happier life
- Provide brief customer consultations
- Provide beauty, nutritional and supplement advice
- Assist the Store Manager with stock and administrative duties
- Perform other retail duties as required
- Be available for additional training

We want people that share our passion for natural health, are excited by retail, excited by helping people and excited to represent our brand and what we stand for.

### **Requirements:**

- Have a natural health qualification or are currently in your last year of a naturopathic qualification
- You want more than just a job and enjoy providing a high standard of customer service
- Have a positive attitude and be a proactive member of the team
- Be able to multi-task and think on your feet
- Be flexible to work week days and some weekends
- You are a resident/citizen of New Zealand.

We want people that share our passion for natural health, are excited by retail, excited by helping people and excited to represent our brand and what we stand for.

**If this sounds like you, please apply now with a cover letter and CV to [alisonh@health2000.co.nz](mailto:alisonh@health2000.co.nz).**

**Applications close Wednesday 28<sup>th</sup> February 2018.**
