

Qualified Naturopath Required

We are seeking a qualified Naturopath to join our team at BioTrace in Onehunga, Auckland. Full training will be provided and we are interested in applications from new graduates or experienced naturopaths.

This role is very diverse from telephone customer service, processing orders, research and development, practitioner training on our range of products and modalities, writing training material/newsletters, learn and understand QRA (Quantum Reflex Analysis), HTMA (Hair Tissue Mineral Analysis) and OligoScan for use in client consultations and practitioner training.

The role will initially be focused in a support capacity to the existing team and after a period of training, may evolve into working with clients in our clinic.

This is a great opportunity to advance your naturopathic career in a challenging role with a supportive team.

Please apply if you have the following qualities:

- A team player and able to work autonomously
- Have strong academic and technical skills
- Love to learn
- Enjoy a challenging and diverse work role
- Excellent written and verbal communication skills
- Customer service experience
- A desire to work one-on-one with clients in naturopathic consultations
- Excellent work ethic
- A can-do attitude
- A good sense of humour and a happy disposition
