

# VACANCY

## WAYMOUTH'S PHARMACY

### **237 MANUKAU ROAD, EPSOM**

We are looking for a graduate Naturopath with a passion in natural health and helping people in the community to join our small professional team of two pharmacists in our Central Auckland Pharmacy in Epsom.

We would nurture and support the new applicant to ease into the role of a full time Pharmacy Assistant/Naturopath.

The previous staff member was a nutritionist and she has contributed largely to our natural health sector and care for our patients. We would like to discuss this incredible opportunity for a young graduate with a more in-depth conversation about the role through a one on one interview.

Free off-street parking.

#### **Application Procedure:**

Please email your CV through to [natasha.pharmacy@xtra.co.nz](mailto:natasha.pharmacy@xtra.co.nz)

#### **Residency Requirements:**

New Zealand Citizens only
